

Directions to Stamped Designs

Stamped Designs is located at 2 Washington Street, Suite 315 in Dover, NH. This is a little tricky, as 2 Washington Street is really a small building attached to One Washington Center (which goes against the norm for numbering).

The easiest way to get to the shop is to go through the 1 Washington Center building. So, here is what you are looking at from the road:

and

Go in the center door shown (there is a sign saying One Washington Center is above the door) and there is an elevator in the lobby. Take the elevator to the 3rd floor. Turn RIGHT out of the elevator and walk to the end of the hallway and turn LEFT. This will take you over a raised walkway to what is known as the Picker Building (also called 2 Washington Street).

There is a wood and glass door to get into the 3rd floor spaces. On weekends, this door is electronically locked. We have a sign with a doorbell to ring and we will run down and let you in.

Weekdays, the door is open during our store hours. Come through the door and turn right. Our store is on left – at the end of the hall, immediately after the small kitchenette on your left. There are restrooms as shown in the floor plan below:
