

## Stamped Designs Sympathy Cards Class

### Gold Butterfly Card

1. Layer the ivory embossed piece to the gold mirror card piece. Apply adhesive to the back of the piece and wrap the gold ribbon around the piece as show, adhering in the back.
2. Layer to the front of the light blue base card.
3. Attach the gold butterfly with wet glue or a trimmed glue dot.

### Blue Roses Card

Copic markers used: B91/93/95, G21/G24

1. Color the roses with the markers listed or the coloring medium of your choice. Cut out the roses with scissors.
2. Layer the white piece to the black card and to the front of the blue base card. Layer the gray embossed piece to the small black piece and then attach to the front of the card as shown.
3. Attach the 3 roses to the lower left corner with foam squares.
4. Attach silver sequins with wet glue.

### Blue Hollyhocks Card

Copic markers used: B91/93/95, G21/G24

1. Color the hollyhocks with the Copic markers listed or the coloring medium of your choice.
2. Apply wet glue to the bottom of the hollyhock pieces and attach to the front of the white card – trimming any extra off the bottom.
3. Layer the white embossed card to the gray card. Apply adhesive to the back of the piece and wrap the silver ribbon bow around the piece adhering in the back. Attach to the front of the blue card.
