

Stamped Designs Black and Red Together Class

Hello Card

1. Attach the green branch piece to the white octagon piece with wet glue or a dot runner. Trim off any excess with scissors. Layer to the black octagon.
2. Attach the red dotted piece to the front of the white card as shown. Attach the octagon piece to the front over the strip as shown.
3. Attach the hello words piece to the bottom of card with wet glue or a dot runner. Trim off any excess on the sides of the card with scissors.
4. Using a ball-tipped embossing tool, cup the red flowers on a piece of foam. Attach with wet glue as shown. Use a black marker to put a small dot in the center of each flower.

Celebrate Card

1. Apply adhesive to the back of the black strip and wrap the black/white ribbon bow around the piece as shown and then attach to the front of the white card as shown.
2. Attach the celebrate piece to the bottom of the card with wet glue or a dot runner as shown. Trim off any excess on the sides with scissors.
3. Attach the butterfly body to the center of the wings with wet glue and flex the wings up toward you. Apply wet glue to the back of the center and attach to the card as shown.

Smile Card

Copic markers used: R05/08, G24, G94, Y15

1. Color the image with the Copic markers listed or the coloring medium of your choice. Layer to the black piece then the red piece.
2. Layer the black/white dotted piece to the large black piece. Attach the layered flower piece as shown. Apply adhesive to the back of the piece and wrap the red ribbon bow around the card as shown then layer to the front of the base card.
3. Attach the smile word piece to the card as shown.
