

Stamped Designs Delicate Butterflies Class

Sending You Love Card

1. Layer the white piece with the cut out butterfly shapes to the blue piece – making certain to get adhesive around the cut out areas. Then layer to the gold piece and then to the front of the green base card.
2. Apply wet glue to the centers of the green butterfly pieces. Line them up with the opening on the card and carefully attach to the card. Attach the butterfly bodies as shown with wet glue.
3. Attach the words piece with a small foam square. Scatter the pearls as shown and attach with wet glue.

Spread Your Wings Card

1. Line up the edges of the dark coral butterfly pieces to the off-white base piece and attach with a string adhesive at the tab in the middle. Trim about 1/8" from one of the center tabs and layer them over each other. Attach the body over the center area with strong adhesive.
2. Assemble the 3 flowers by attaching the center pieces to each flower with wet glue. Attach to the butterfly as shown with a dot of wet glue in the center of each flower. Attach the leaves as shown with wet glue.
3. Attach the yellow embossed piece to the center of the base card, then attach the butterfly piece as shown. Attach the words piece as shown.
