

Stamped Designs Flower Pots and Buckets Class

Hello Card

1. If desired, apply ink to the die cuts to add shading. For the sample I used Distress Fired Brick on the flowers and word, Wendy Vecchi (WV) Orange Blossom on the flower pot and WV Fern Green on the leaves.
2. Assemble the flowers and the flower pot with wet glue. Carefully arrange the flowers first without glue or tape to get desired look, then carefully assemble using wet glue and/or tape.
3. Layer the yellow checked piece to the black piece, then to the front of the base card.
4. Attach the flower pot arrangement with 5 small foam squares. Attach hello with wet glue.

Sending You Love Card

1. Apply ink to the pieces if desired for shading. I used WV Watering Can and Fern Green and Distress Wild Honey.
2. Assemble the bucket first with wet glue. Arrange the flowers and leaves first without glue or tape to get desired look, then carefully assemble using wet glue and/or tape.
3. Layer the blue checked piece to the brown piece then to the front of the card. Attach the flower bucket with 5 small foam squares.
4. Layer the words circle to the brown circle then attach with 2 small foam squares.

Throw Kindness Card

1. Apply ink to the pieces if desired for shading. I used WV Watering Can and Fern Green and Distress Worn Lipstick.
2. Assemble the bucket first with wet glue. Arrange the flowers and leaves first without glue or tape to get desired look, then carefully assemble using wet glue and/or tape.
3. Layer the green embossed piece to the dark brown piece then to the front of the card.
4. Attach the flower bucket piece with wet glue.
5. Attach the words piece with 2 small foam squares.
