Hello Friend Card

Copic markers used: R00/01, Y08/35, YG05/17

1. Color the flower/stem pieces with the Copic markers listed or the coloring medium of your choice. Attach the single daisy head piece to the full size piece as shown to make a thicker flower with wet glue.
2. Place one small foam square behind the daisy head and attach the gray oval as shown. Attach the stem near the bottom with wet glue. Attach the additional stem with wet glue, then trim to match oval. Layer to the black oval.
3. Layer the pink card to the black piece then attach to the base card. Attach the oval piece as shown, then attach the words piece as shown with wet glue.

Big Hugs Card

Copic markers used: Y15/17, G46

1. Color the stem of the base flower piece with G46 and the center of one of the single daisy flower heads with Y15/17. To build the flower head, trim off the excess stem of the extra full piece and rotate and layer with wet glue. Then attach the first single flower head without coloring, followed by the colored one to make a full blossom.
2. Layer the gray piece to the base card as shown.
3. Put one small foam square behind the flower head and attach to the card as shown. Apply a little wet glue at the base of the stem and behind the small bud to attach.
4. Layer the words pieces with wet glue, then attach with foam squares as shown.

Thinking of You Card

Copic markers used: C0/C1, Y08/35, YG05/17

1. Color the daisy and stem pieces with the Copic markers listed or the coloring medium of your choice. Trim off the 2 bud pieces from the stems. Attach one single flower head to the full flower piece as shown with wet glue.
2. Fit the turquoise piece into the black frame piece. Flip over and attach together with small pieces of tape.

3. Attach the flowers and stems to the turquoise piece as shown with wet glue.
4. Layer the gray piece to the black piece, then to the front of the base card. Attach the flowers piece to the card as shown.
5. Without adhesive, lay the words piece across the card where you want to place it, then trim the stems so that they will not be seen below the words piece.
6. Attach the words piece with small foam squares as shown.
