

Stamped Designs Spring Flowers Class

Hello Card

Karin watercolor pens used: 071 Lime Green, 281 Olive Green, 305 Egyptian Blue, 247 Pale Violet, 283 Gold

1. Color the flower with the Karin pens listed or another watercolor medium.
2. Layer the wide piece to the blue piece with foam squares, then attach the card front, also with foam squares.
3. Attach the flower with foam squares. Carefully trim small pieces of foam squares and attach the "hello" piece as shown. Scatter the gems and attach with wet glue.

Best Wishes Card

Karin watercolor pens used: 197 Plum, Neon Red Lilac, 247 Pale Violet

1. Color the flower petals with the Karin pens listed or another watercolor medium. Attach them together and then attach to the green stems with wet glue.
2. Attach the black strip to the right edge of the patterned piece, then attach to the left side of the base card. Attach the flowers as shown with foam squares behind the flowers and the stem bases with wet glue.
3. Layer the word pieces together with wet glue then attach with foam squares as shown.

Miss You Card

Copic markers used: Y08, YG11

1. Color the flower with the Copic markers listed or the coloring medium of your choice. Blend some light blue ink on the small white piece. Sample used Distress Tumbled Glass. Layer to the white piece with foam squares then attach flat to the base card.
2. Apply wet glue behind the flower center and leaf base and attach as shown.
3. Attach the gems at top of the flower with wet glue.
4. Attach the "miss you" words with wet glue.
