3. Attach the witch and the words as shown with foam squares.

### Ghosts Card

1. Assemble the ghosts. For the eyes and nose, adhere a piece of regular tape on the back side of the pieces with the adhesive facing the front of the piece. Carefully put the black cut-outs into the holes – it will adhere to the tape. You can also put a small piece of black cardstock behind the eyes and nose. Attach the BOO letters to the banner piece with wet glue, then attach to the larger ghost as shown.
2. Layer the green piece to the black piece, then attach the orange stamped circle to the piece as shown. Apply adhesive to the back of the piece, then wrap the purple ribbon bow as shown, adhering in the back. Layer to the base card.
3. Attach the ghosts and words piece as shown with foam squares.
