

Stamped Designs Backyard Wren Cards

Hello Card

NOTE: This card was colored with watercolor paints. The paints used in the sample is from Elizabeth Craft Designs

1. Watercolor the bird pieces and the branch pieces. Assemble the bird and branch as shown.
2. Apply some ink (TH Distress Brushed Corduroy used in sample) to the ivory woodgrain paper to create some shadow. Splatter some brown watercolor paint onto the background from a paintbrush – allow to dry.
3. Layer the woodgrain piece to the dark brown piece, then to the base card.
4. Attach the branch to the base card with wet glue – apply glue only to the stem of the branch. Attach the bird as shown with foam squares.

Happy Birthday Card

Copic markers used: E41, RV32/34, YR23/24/27, T9 (eye), YG01/03/05, E57/59

1. Color the bird pieces and the branch with the Copic markers listed or the coloring medium of your choice. Assemble the bird as shown.
2. Attach the branch to the wood paper as shown with wet glue – applying glue only to the center branch. Trim off excess from the sides. Layer this to the black piece, then to the front of the base card.
3. Attach the bird with foam squares as shown.
4. Attach the birthday words with wet glue, as shown.
