

## Directions to Stamped Designs

Stamped Designs is located at 2 Washington Street, Suite 315 in Dover, NH. This is a little tricky, as 2 Washington Street is really a small building attached to One Washington Center (which goes against the norm for numbering). You will likely have to park on the street and pay the meter unless there is a visitor spot available in the front.

The easiest way to get to the shop is to go through the 1 Washington Center building. So, here is what you are looking at from the road:

and

Go in the center door shown and there is an elevator in the lobby. Take the elevator to the 3<sup>rd</sup> floor. Turn RIGHT out of the elevator and walk to the end of the hallway and turn LEFT. Go through a set of gray fire doors and you will go over a raised walkway to what is known as the Picker Building (also called 2 Washington Street).

There is a wood and glass door to get into the 3<sup>rd</sup> floor spaces. You just need to pull the door to open it, even though it has a regular door knob.

Come through the door and turn right. Our store is on left – at the end of the hall, immediately after the small kitchenette on your left. There are restrooms as shown in the floor plan below:
