

## Memory Box Exquisite Butterflies Cards

### **Hello Card**

Copic markers used: Butterfly: Y13, YR04, YG05, YG17, W10. Flower: Y18, YR14/16, YG05, YG17

1. Color the butterfly and the flower die cuts with the markers listed or the coloring medium of your choice. Add accents with a white paint pen.
2. Attach the orange stripes to the yellow cardstock as shown, trimming any excess off the sides as needed. Layer to the black piece then attach to the front of the base card.
3. Attach the flower with foam squares under the flower and glue at the stem base and the butterfly with wet glue at the butterfly body.
4. Attach the words with wet glue.

### **Sending Love Card**

Copic markers used: YG21/23, BG01, B24, T8

1. Color the butterflies with the markers listed or the coloring medium of your choice.
2. Layer the gray piece to the black piece then to the front of the base card.
3. Attach the sending love words to the center of the card as shown with wet glue.
4. Attach the butterflies with wet glue, as shown.

### **Flying Across the Miles Card**

Copic markers used: Flowers: R81/83/85, G21/24, Y19. Butterflies: Y11/15, V01/04/05, W6

1. Color the butterflies and the flowers with the markers listed or the coloring medium of your choice. Add accents with a white paint pen.
2. Attach the gold frame piece to the ivory piece with wet glue. Layer the piece to the black piece then to the front of the pink base card.
3. Attach the flowers with foam squares and set glue and the butterflies with wet glue.
4. Attach the words piece with foam squares.
