

Stamped Designs Horizontal Center Step Cards

If Friends Were Flowers Card

OLO markers used: BV 1.2/1.4, YG 1.2/1.4, G 5.1/5.3, Y 2.3, OR 7.2/7.4

1. Color the flower box image with the markers listed or the coloring medium of your choice.
2. Fold the center step base card on the fold lines to create the folded card. Top 2 folds are mountain folds, 3rd fold is valley fold and 4th fold is a mountain fold.
3. Layer the yellow stitched square to the piece of black, then layer it to the base card as shown – lining up the bottom with the mountain fold at the bottom.
4. Attach the purple strips to the base section as shown.
5. Apply glue to the left and right side of the plaid piece. Carefully slide it behind the top layer and attach to the sides of the card as shown.
6. Attach the flowers piece and words piece as shown with foam squares.

Apple-Solutely Awesome Day Card

OLO markers used: O 4.0/4.1, R 2.2, YO 2.3/2.5, R 0.4/0.5, YG 2.3/2.5, B 4.3/4.6

1. Color the images with the markers listed or the coloring medium of your choice.
2. Carefully cut the ½ square of green with a slight wave and attach to the light blue square. Attach the 2 yellow strips to the top of the blue circle and trim off excess. Layer to the red square and then to the black scallop square. Attach to base card.
3. Attach the cut out images with foam squares as shown.

Stamped Designs Horizontal Center Step Cards

4. Layer the words piece to the long red piece, then attach to the base of the card. Attach the 2nd single apple with a foam square to the right side of the words.
5. Attach the 2 red checked pieces to the 2 side sections of the base card as shown.

Happy Wishes Card

1. Apply adhesive to the back of the butterfly stitched square piece and wrap the yellow check ribbon around the piece as shown, adhering in the back. Layer to the seafoam square, then to the brown scallop square. Attach to the base card.
2. Layer the 2 floral side pieces to the 2 brown pieces, then attach to the side sections of the base card as shown.
3. Layer the words piece to the larger brown strip and then attach to the bottom of the base card.
