You Bring A Smile To My Face Card

1. Apply Distress Wild Honey ink around the edges of the printed card piece. Layer to the dark brown piece.
2. Apply adhesive to the back of the piece and wrap the ribbon bow around the piece as shown, adhering in the back. Layer to the base card.
3. Attach the butterfly as shown with wet glue. Attach the words piece as shown.

Thank You Card

1. Attach the dark brown strip to the left side of the embossed printed piece. Layer to the light yellow piece – then layer to the dark brown piece and the front of the base card.
2. Attach the green filigree piece and butterflies as shown with wet glue.
3. Attach the words piece with foam squares.

Hello Card

1. Attach the 2 putty colored strips to the left side of the printed piece as shown. Put $\frac{1}{2}$ of a small foam square behind the center of the flower piece and attach to the card as shown. Trim about $\frac{1}{2}$ " off the bottom of the flower stem.
2. Layer the thin printed piece to the dark brown strip, then attach across the bottom of the card as shown, trimming off any excess on the sides. Layer to the dark brown piece.
3. Apply adhesive to the back of the piece and wrap the piece of brown/white checkered ribbon across the printed strip as shown, adhering in the back. Layer to the front of the base card.
4. Attach the hello piece with wet glue as shown.
